

# HEAVY DUTY FIXED JENNY

Developed in association with New Zealand fencing professionals this Heavy Duty Fixed Jenny delivers an outstanding new dimension in fast, efficient and hassle-free wire dispensing.

- Tangle proof lid for trouble free dispensing
- Brake to control speed
- Double pin strike foot for increased stability
- Durable heavy duty frame

*"This Jenny is just brilliant. We've trialled it for over a year and it's the best I've ever tried. It's easy to use, takes two rolls at a time, with no tangles or over-runs. They won't be getting it back in a hurry."*
